

# 2019 IEEE International Workshop on Metrology for AeroSpace

Torino - ALTEC Company, Italy, June 19 - 21, 2019

## CALL FOR SPECIAL SESSIONS

**MetroAeroSpace 2019** Program Committee solicits proposals for special sessions within the technical scopes of the Workshop.

Special sessions have the main aim of creating a mini-workshop on a specific topic, where researchers working on the same argument can make knowledge, familiarize, exchange ideas, create cooperation.

Researchers interested in organizing special sessions are invited to submit a proposal through the form available at the following URL [www.metroaerospace.org/special-session-proposal](http://www.metroaerospace.org/special-session-proposal)

### > SUBMISSION

Proposals should include the session title, a brief description of the scope and motivation, related topics, biographic and contact information of the organizers.

Papers submitted for special sessions are to be peer-reviewed with the same criteria used for the regular sessions.
